CERTIFICATION AND AUTHORIZATION

For the purpose of establishing and maintaining credit, the undersigned ("Applicant") submits the foregoing statement and information contained on this Application, both written and printed, and including supplemental sheets, if any, for himself/herself as being a full, true, and correct statement of financial condition and all above matters, on the date signed. The undersigned agrees to notify you immediately in writing of any materially unfavorable change in financial condition or the above matters, and in the absence of such notice or of a new and full written statement, all matters hereinabove may be considered as a continuing statement and substantially correct. The undersigned hereby acknowledges that the creditor (hereinafter sometimes "Vendor") is relying on this information to extend credit and authorizes the Vendor to make inquiry into, to request, and to receive any information concerning the credit and general reputation of the Applicant and all information from creditors which the creditor deems relevant for the granting and collection of the proposed borrowing. This authorization shall be effective from the date upon which this application is signed and it shall be continuing so long as credit is extended. Upon written request from Vendor, additional information within the scope of this inquiry will be timely provided.

The undersigned further represents that (1) the undersigned has express authority to execute the application for the Applicant; (2) the undersigned has no record or reputation of having violated any federal or state laws relating to liquor, narcotics or contraband and has not been convicted of any felony; (3) the undersigned for himself/herself agrees to hold creditor harmless and indemnify it from damages suffered by reason of any materially false or misleading statement or representation contained herein and in consideration of credit extended to the Applicant by Vendor, grants Vendor a right of offset against any obligation Vendor may now or in the future owe to the Applicant; and (4) an executed facsimile copy of this application and the undersigned signature shall be for all purposes set out herein the equivalent of a properly executed original.

The undersigned acknowledges for himself/herself that payment shall be made 10 days from date of invoice and for himself/herself and the Applicant agrees to pay all invoices, statements, and or bills for goods, wares, merchandise, parts received and/or services rendered on or before the 10th day following the date of invoice and personally and unconditionally guarantees payment of the same for himself/herself. The undersigned acknowledges and agrees that in the event any invoice, statement, or bill is not timely paid in full within 30 days of the due date, interest will immediately begin to accrue on the following day at the highest limit allowed by law or 18%, whichever is less.

GUARANTEE

In consideration of credit and financial accommodations extended and to be extended to the Applicant hereafter, the undersigned, whether one or more, have each, jointly and severally, unconditionally guaranteed and do guarantee to the Vendor, the payment and collection of each and every invoice, statement, claim, demand, indebtedness and cause of action of every nature whatsoever the undersigned and/or the Applicant now owe or in the future may owe to Vendor, due or to become due, together with interest as it may accrue and attorneys' fees and costs as may be awarded by a court of competent jurisdiction, which by my/our signature(s) below I/we acknowledge and agree should be in an amount not less than 25% of outstanding indebtedness which is a reasonable fee.

The undersigned agree(s) that possession of this guaranty by Vendor constitutes true and correct execution and delivery of this guaranty. The undersigned waives notice of acceptance and of liability to which it applies and waives presentment and demand for payment, notice of dishonor or nonpayment, collection or instigation or suit or any other action against the Applicant in collection thereof and demand for payment on any party or the Applicant. All payments due hereunder shall be due at the office of Vendor.

Without impairing or releasing the undersigned or the Applicant, the Vendor may, without notice and without impairing any liability hereby guaranteed, (1) change the manner or place and payment or extend the time, (2) refrain from exercising any rights against the Applicant, or (3) apply any sums paid to any liability of the Applicant at Vendor's discretion.
